

Preadmissions Information Sessions for Undergraduate Programs Fall 2009

Prospective students are invited to attend an information session for the Bachelor of Science in Nursing (BSN) program at SF State. We will discuss the program, admission criteria, and the application process. Due to the volume of interest in our programs we kindly request that you **RSVP for one of these sessions by visiting the Prospective Students section of the nursing web site <http://nursing.sfsu.edu/>**
