- ✦ UCSF School of Nursing
- ✦ VA Medical Center, San Francisco
- ✦ VA Northern California Health Care System
- ✦ VA Palo Alto Health Care System

*16th Annual
Research Day*
POSTERS & PODIUMS 2014
October 22, 2014

South San Francisco Conference Center
255 So. Airport Blvd., South San Francisco

**WE WANT TO HEAR
FROM YOU!**

Please send us an abstract if you have completed one of the following in care across the continuum (acute, post-acute, community)

- Clinical Research Study (with special emphasis on nurse-sensitive outcome measures)
- Evidence Based Practice Project
- Quality or Performance Improvement Project
- Systematic Review

STUDENT SECTION

- Literature Reviews
- Research Studies
- Capstone Project

Mark your calendar!
Your Abstract must be received before
9 am July 21, 2014

Send your abstract electronically to:

Lily Ann Mendoza at lilyann.mendoza@nursing.ucsf.edu

GUIDELINES FOR ABSTRACTS

Research Abstracts

If you are submitting a research abstract, the work must be completed so that results can be reported. You must be sure to include:

1. Purpose, aims, hypotheses or research questions
2. Background and significance
3. Methods (design, sample characteristics, measures or instruments, procedures for data collection and data analysis)
4. Data findings, results and conclusions
5. Implications for practice and further study

Clinical Project Abstracts

If you are submitting an Evidence Based Practice Project Quality or Performance Improvement Project abstract, the work must be completed so that results can be reported.

1. Purpose and/or objectives of the project
2. Background and significance
3. Description of Improvement steps, methods or procedure
4. Evidence of results or outcomes of the project and how you measured the results—we want to see your data!
5. Conclusions and evidence of impacts of the project on patient care quality, costs or outcomes.

Abstract Format – Incomplete or inaccurate submittals will not be reviewed

- Abstract Title (15 words max- no identifiers)
- Abstract should be 500 words maximum (excluding title)
- Microsoft Word format – submit electronically please.
- Use 12 point font, single-spaced, with 1 inch margins.

At no time should any facility identifier be included in the abstract

- **NO graphs, tables or references please. (may be added to final abstract).**
- Abstract Submission form (or other page separate from the Abstract Page) must **list all authors' names** and include:
 - **The presenter's name** with an asterisk
 - **Full corresponding author contact information.**
- Select Option of Oral Presentation or Poster Presentation
- Podium presentations require completed work & must include any relevant data. Posters include pilot **projects or projects still in progress** or completed. Topics may relate to conducting research as well as implementing its results.

**16th Annual
Research in Action Day
Clinical Innovation and Improvements
POSTERS & PODIUMS 2014**

October 22, 2014

ABSTRACT SUBMISSION FORM

DUE 9AM, July 21, 2014

Please Note--Due to limits of program presentation time & poster presentation space, not every abstract may be accepted for presentation. Following a review of all abstracts, you will be notified by **August 19, 2014**

**Title of Abstract
